

# *Volunteer Dressing Day*

*Thursday, January 28<sup>th</sup>, 2:00 - 4:00*

## **ATTITUDES & ATTIRE™**

***Promoting personal growth for women seeking self-sufficiency***

On Thursday, January 28<sup>th</sup> from 2:00 – 4:00 pm, the Community Relations Committee will host another Volunteer “Dressing” Day at Attitudes & Attire.

*Volunteers participate as Image Consultants.*

Volunteering at Attitudes & Attire (A&A) as an Image Consultant is fun and very rewarding. Dressings follow every workshop. You will work directly with women participating in the A&A program by helping them select workplace appropriate outfits and accessories from the A&A Boutique.

On the client’s initial visit to A&A, clients receive one suit with a coordinating blouse, a scarf, a handbag, jewelry and panty hose. After 30 days, ladies are invited to select a second outfit. When a woman has been employed full-time for 60 days, a third outfit is provided.

***We look forward to seeing you there!***

Another important way to assist A&A is through donations. Donations of new or nearly-new suits, separates, purses, scarves and jewelry are welcome.

They accept all sizes, including junior and maternity wear.

**Visit the A&A website to find out more about A&A’s donation guidelines.**
